ÉDITIO

Dear Friends and Colleagues,

After such a special and awfull period, we do hope this edito will find you and your relatives in good shape.

We suppose that in 2022, the pandemic problem will be solved or at least stabilized in order we can renew our scientific contacts and individual exchanges.

So, we are pleased to announce the 8th Advanced Course in Knee surgery will be held in Val d'Isère from January 2022 23rd to 27th.

The program will range from basics to new developments and will provide current concepts and guidelines for your daily knee practice

For this issue, the topics will be :
Indications and limits of meniscal preservation
How to choose a TKA
Posterior aspect of the knee
ACL-R with risky and difficult onset

PF instability
TKA re-surgery
Osteotomies around the knee

During 5 days, speakers and participants will share their experience with a large place for discussions. Sessions will include lectures, relive-surgeries, minibattles, hot topics, how I do video sessions, case challenges.

We hope you will come again to find intact the warmfull atmosphere of this high scientific level course like the previous ones. And of course in safe and healthy conditions.

The participation will allow CME Credits.

Save the dates and come breathe in the Alps to Val d'Isère, this unique place, on January 2022, 23rd to 27th

Very Friendly Yours.

F. Kelberine, P. Landreau, N. Gravelleau & S. Lustig

DEAR PARTNERS

We definitively want to give a place of choice to our sponsors. You'll be able to promote your very new developments in the knee surgery field as well as the results of your research because this meeting is the place for future trends.

- A live retransmission of sessions will be located at the central point of the industrial exhibit area.
- You'll have the opportunity to perform workshops to complement the scientific program.
- Two sessions of industry per day related to the daily topic will take place in the auditorium in the body of the program.

These events will be announced with their speakers on the official promotional documents

Very Friendly Yours.

F. Kelberine, P.Landreau, N.Graveleau & S.Lustig
Course Co-Directors

ATTENDEES EXPECTED FOR 2022 EDITION : 200 PARTICIPANTS *

* Based on the number of participants the previous years
