ÉDITIO

Dear Friends and Colleagues,

We are very pleased to announce the 10th Advanced Course on Knee Surgery to be held in Val d'Isère in February 4th-8th, 2024.

We will keep intact its spirit with a warmfull atmosphere and a huge interaction between speakers and participants to share knowledge and experience.

To focus on our daily practice, the red line will be clinical case-based lectures.

The program will include lectures, relive-surgeries, minibattles, hot topics, « how I do », video sessions and crossfire discussions. There will be slots for participants clinical cases.

The program will ensure a high scientific level, thanks to our international guest speakers:

Basics: focal cartilage defect, multi ligament injuries, chronic and acute infection in TKA, extensor system deficit in TKA.

ACL-R: how to improve our results

Meniscus

Complex articular fractures

How to deal with valgus knee

How to deal with varus knee

The participation will allow CME Credits.

Interested by a unique congress in a unique place!!!

Save the date and join us to the top on February 4th-8th, 2024!

Very Friendly Yours.

DEAR PARTNERS

We definitively want to give a place of choice to our sponsors. You'll be able to promote your very new developments in the knee surgery field as well as the results of your research because this meeting is the place for future trends.

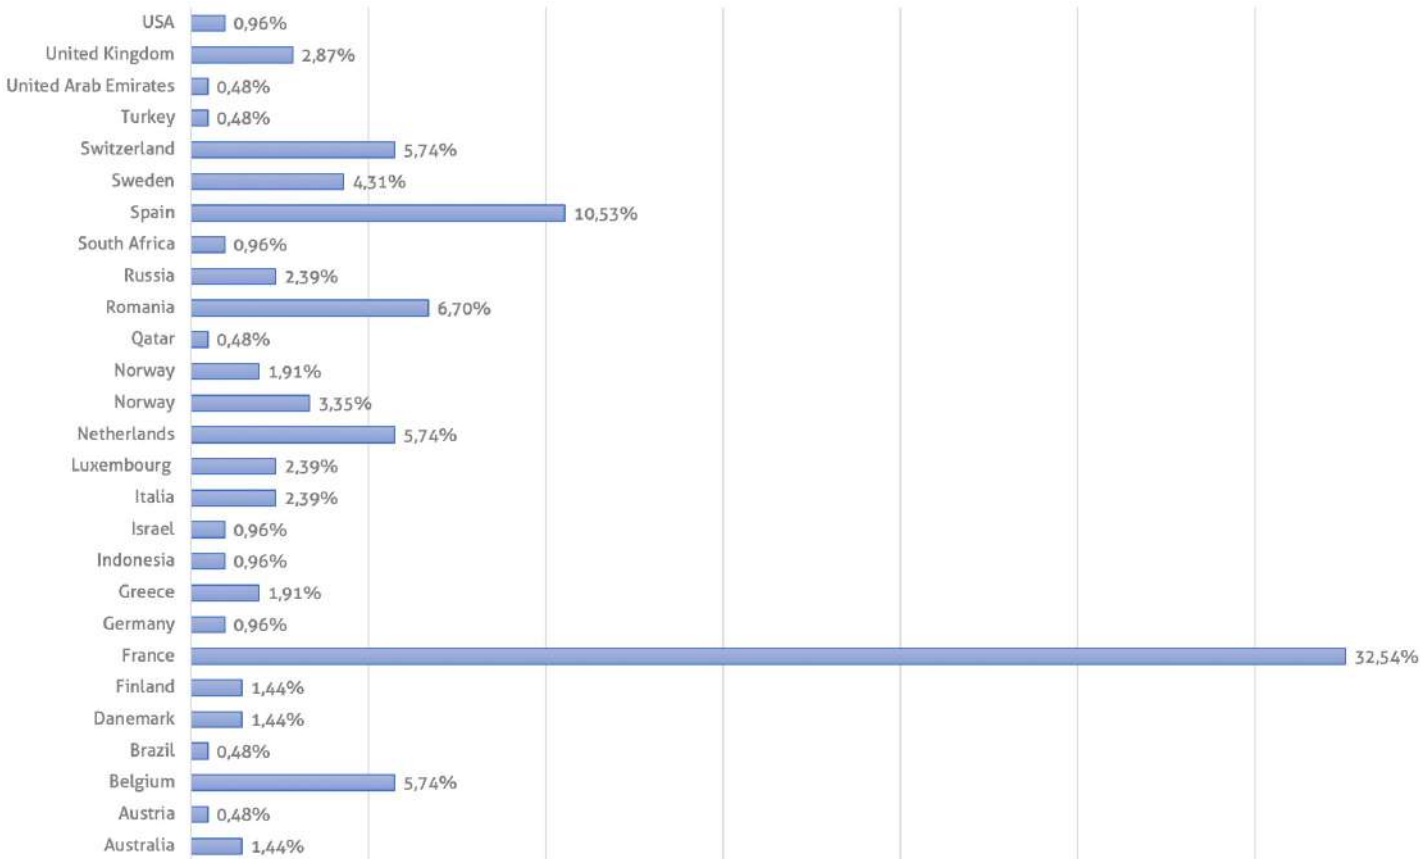

- A live retransmission of sessions will be located at the central point of the industrial exhibit area.
- You'll have the opportunity to perform workshops to complement the scientific program.
- Two sessions of industry per day related to the daily topic will take place in the auditorium in the body of the program.

These events will be announced with their speakers on the official promotional documents

Very Friendly Yours.
